Principal's Message

We have the first month of school under our belt and it has been so nice to see everyone after the summer break. Terry Fox run was a success and if anyone has a late donation, we can still take them in at the office. Parent Teacher conferences begin next week, so if you have not signed up, please contact your teacher or the school and we will make sure you get a spot. Our Purdy's chocolate fundraiser will start in the first week of November. Thank-you for supporting this fundraiser that goes directly to our students.

Ty Lytton

CPAC News (Parent Advisory Council)

All parents and guardians of children attending Forest Grove Elementary are invited to participate in our local Parent Advisory Council (PAC). The Forest Grove PAC plays a significant role in making our school a better place. This group of parent volunteers is involved in many aspects of school life at Forest Grove Elementary including involvement in our breakfast program, our hot lunch program, fund-raising and supporting various curricular and extra-curricular activities.

Our next PAC meeting will be held on Nov. 12th at 4:30 pm. Everyone is welcome to share their input and help out. We are always in need of new members, so please come and join us for some snacks and a quick meeting.

School Photos Retakes

Retakes are on October 22nd. Everyone should have received their QR code that links to the photo's. If your children were absent on photo day, they can get their picture taken on the 22nd. If you would like a retake, please send the order form and money in on or before the retake day. Students will not get retakes unless payment or arrangements have been made with our photographer.

Cross Country Run and Hot Lunch

We will be holding the run On Thursday October 16th this year instead of the busy spring season. Students from grade 2 to 7 are encouraged to run in their respective races again this fall. There will be a concession, and every student will receive their choice of hot dogs or a walking taco as this month's hot lunch. Other snacks will be available for purchase at the concession. Parents are encouraged to come and watch their children race.

Safer Schools Presentation

Our school district will have the Safer School organization doing presentations concerning student safety with a focus on digital devices and social media. The 6/7 class will be attending a presentation during school time at 100 Mile Elementary and there is a parent presentation at PSO from 6:00 to 8:00 pm. These presentations are highly informative in the ever-changing world of digital devices and social media. There is also a presentation in Williams Lake at Colemanetza Junior Secondary on October 21st from 6 to 8 if you are not able to attend at PSO.

See reverse for upcoming events.
